- About Us -

The La Boucherie Group is an international chain founded in the 1980's and has grown to be one of the largest steakhouses in France. La Boucherie Orlando is the first location in the United States. Everything you see around you, from the furniture and the artwork to the plates and silverware, were all made and imported from France!

La Boucherie isn't your typical Orlando steakhouse. We prepare each dish with the traditional methods of our famous locations in France, and serve them with a unique American flair.

We source our meat here in the USA, and handle and prepare it with the same passion and standards as La Boucherie's locations throughout France.

*La Boucherie Orlando is the best of both worlds -
France's most popular steakhouse, right in the heart of Orlando.*
